Groundcover Roses

Red Ribbons GARDEN EASE Groundcover Rose (1998 8.2)

Zone 4-9

Height: 1½'

Spread: 2'

by Wilhelm Kordes

Gold Medal Winner in International Competition

Bright, lasting, profuse, fiery red, 2 ½ -3" blooms with yellow stamens and slight fragrance create a lush carpet of bloom that can endure coastal/salty conditions. Bred in northern Germany by Wilhelm Kordes, it remain hardy to zone 4 and is also hot and dry tolerant. Fresh, lush, disease-resistant glossy dark green foliage. It is considered by many the best red ground cover rose ever introduced. Petit pointed ovoid buds open to semi to fully double blooms, boasting up to 25 petals arrayed in a cupped form around a bright yellow center. Provides a subtle, sweet scent that does not compete with the stronger perfumes of hybrid teas and floribundas. The habit is dense and nicely branched, without bare spots so it is effective to edge a long border or use in a deep mass planting. Also known as Canterbury in Europe or Chilterns in Great Britain.

Claire Austin - English Climbing Rose

(2008 7.6)

Zone 5-11
Height: 12'

DA Best for Fragrance Award
DA Best for Health Award

Creamy White medium 120 petal blooms with strong myrrh fragrance. Full or partial sunlight, grows in shady areas. This vigorous, upright rose makes a very good climber in both beauty and performance. It bears pleasingly cupped, pale lemon buds which gradually open to medium sized, creamy white flowers, the outer petals perfectly arranged in concentric circles. They have a strong myrrh fragrance with dashes of meadowsweet, vanilla and heliotrope. The growth is strong and particularly healthy, and it is clothed in attractive matt green foliage. Named for the daughter of David Austin Senior and sister of David Austin Junior.

the Poet's Wife – English Shrub Rose

(2015 8.3)

Zone 5-11

Height: 4'

Spread: 4'

Bears rich yellow flowers, which pale over time. Their formation is most pleasing, having a neat outer ring of petals enclosing an informal group of petals within. There is a strong, wonderfully rich fragrance with a hint of lemon, which becomes sweeter and stronger with age. It forms a bushy, nicely rounded shrub with arching branches and rather shiny foliage. Tolerates partial shade.

Thomas A Becket – English Shrub Rose

(2014 8.1)

Zone 5-11

Height: 5'

Spread: 4'

This is a variety of very different character from the general run of English Roses, being rather closer to the Species Roses than to the Old Roses and more natural and shrubby in growth. Enjoys full sun. A striking crimson-red; the individual flowers can best be described as shallowly cupped, opening as informal rosettes; the 63 petals quickly reflexing as the flowers age. They are held in medium-sized heads; the individual blooms nodding attractively on the stem. They have a moderate Old Rose fragrance with a strong lemon zest character. It forms a strong, rather informal shrub. Named for Canterbury Cathedral.
